Hi Yolanda,

On both Cobb and the Mid Valley spill, waters of the U.S. were impacted so EPA was the lead agency for cleanup. Therefore there was no formal request for assistance made from LDNR or any of our other State partners. We worked closely with all of them on both spills but I'm not aware of any written requests for assistance. Thx.

Do we have a memo from LDNR requesting our assistance for the Cobb Well Site and the Mid Valley Pipeline Oil Spill? If so, could I please get a copy. We usually submit the FEMA mission assignment for assistance with the other emergency responses. Thanks.

Hi Yolanda,

I need a copy of the request form the Louisiana Department of Natural Resources (LDNR) or other organization sent to the Agency/Region requesting the services of the EPA for the Cobb Well Site and the Mid Valley Pipeline Oil Spill.

Thanks,
Sara

No, the second list is a list of all the OSC and their limits with overtime. If you look at the forms signed by Ron Curry, the names of the employee are listed. Same names that I put on the form.

Hi Yolanda,

I am assuming the following list belongs with the Mid Valley Pipeline Oil Spill?

And this other list belongs to the Cobb Well Site?

Hey Sara, finally got these signed. After looking at the forms, I realized that these were two separate areas. So I'm sending you the two separate forms. Thanks.
